

Barnes & Noble Bookfairs

Barnes & Noble Bookfairs are held in our stores. Our vast selection of books, DVDs, CDs, and gifts provides options for everyone and makes finding something to purchase easy and exciting.

Our knowledgeable booksellers take care of all setup, cashiering, and accounting -- giving you more time to publicize the event to your supporters.

We work with you to tailor the bookfair to your needs -- whether it is classroom wish lists, required reading, or other special items, we make you the focus of the bookfair.

A Barnes & Noble Bookfair is a great way to showcase your school or organization -- from student performances to principal storytimes -- we'll work with you to plan exciting events to coincide with your bookfair. (Information from our website: www.bn.com/bookfairs)

Feedback from a local librarian:

Angela Klausner – Battle Ground Academy Middle School, Franklin TN

Advantages of having a “destination bookfair!” (well, you’ve heard of destination weddings so)

- - Amazing selection of materials from which to choose, encompassing all ages and formats vs. a restricted amount brought to your school
- - No delivery issues when you are sold out of popular items
- - No unpacking of materials
- - No financials to track (counting money, stamping checks, running tapes, making deposits)
- - No paperwork (reporting sales figures, then figuring percentage and requesting payment from your school business office)
- - Great PR for your school, can easily showcase student talent
